LIBRARY MINI GOLF

The Mammen Family Public Library partners with community members and organizations to accomplish the library's mission to promote literacy, inspire a lifelong love of learning, and support the arts, science, and literary needs of our community. No matter what age or stage of life, the library offers programs in a safe and welcoming space for community members.

While programs are offered year-round, the summer is the library's busiest season. The Summer Library Program (June 8-August 3, 2024) provides programming for all ages and at no cost to participants. The Library Mini Golf events are the end of summer celebration, allowing community members to beat the heat of summer while playing mini golf throughout the library.

➤ In 2023, the Library Mini Golf events had a total attendance of **300+** people! 🎉

SPONSORSHIP PROCEEDS

Your sponsorship of the Library Mini Golf events helps Mammen Family Public Library continue to meet the demands of our growing community. Sponsorship proceeds from this year's Library Mini Golf events will help fund two initiatives:

- The purchase of additional materials for the **Children's read-along collection**. Read-alongs are books that talk! With a permanently attached speaker, children simply push a button to listen and read. Read-alongs are some of our most popular items, with nearly 1/3 of them regularly checked out at a time!
- Our library's first **literary festival**, scheduled to take place in spring 2025. We will have a weekend of events celebrating books, authors, and all things literary.
