

# FRIENDS OF THE LIBRARY ADDENDUM TO ELECTION NOTICE

You asked and we listened. Some members let us know they would not be able to attend the August 3 meeting. They want to do their membership duty and requested a ballot be available for voting at the Mammen Family Public Library (MFPL) prior to the meeting.

We want as many members as possible to attend the August 3 meeting, 4 to 6 pm, at the MFPL. However, if you have a conflict with the meeting time, you may stop by the library in advance and cast your ballot to help us meet our required quorum.

Here's how:

- Absentee ballots and envelopes for the ballots will be available at the information desk at the library until 4:00 pm on August 3. Instructions for completing the ballot are printed on the envelopes. These absentee ballots will be counted at the August 3 meeting.

Members will be voting on two issues:

- Name change from Friends of the Bulverde Area Rural Library District (BARLD) (FOL) to **Friends of the Bulverde Area Rural Library District**.
- Amended bylaws to allow for virtual meetings and electronic voting. Other changes and additions were made, particularly to Article III (Membership Meetings), Article IV (Board of Directors), and Article V (Officers, Elections, Duties and Powers). A minor error has been corrected since our original notice. In Article III, Section 1, the word "increase" should be "change." So click below to review the "corrected" proposed proposed and current Bylaws to compare before the meeting. Changes on the proposed bylaws are highlighted in red, with the correction highlighted in yellow.
